USA Softball - So Cal Coaching Schools

USA Softball - So CAL is proud to introduce the 15th year of the Coaches Training Program. The Program is developed and designed to provide softball coaches of all levels – from beginning coaches to experienced veterans – an opportunity to further their knowledge of the sport of Softball.

Our clinics are practical guides to the everyday situations you will encounter as a youth softball coach. The program utilizes a participation format to teach coaches how to identify skills of the game, isolate the players mechanics of the skill and to evaluate and improve the players mechanics. After attending one of the Coaching Schools, you will be better prepared to coach a youth softball team.
